

SPBRT – E&R Committee

July 27, 2022

Laura Quattrini

About BTWC:

- Formed in 2013 after major flood
- From 2013- 2019
 - Worked across 80 miles of the River – completed 14 major river enhancement projects & 2 infrastructure projects
 - Raised over \$13 million for restoration projects
 - Collaborated with hundreds of landowners and partners
 - Developed 3 large scale river management and restoration plans

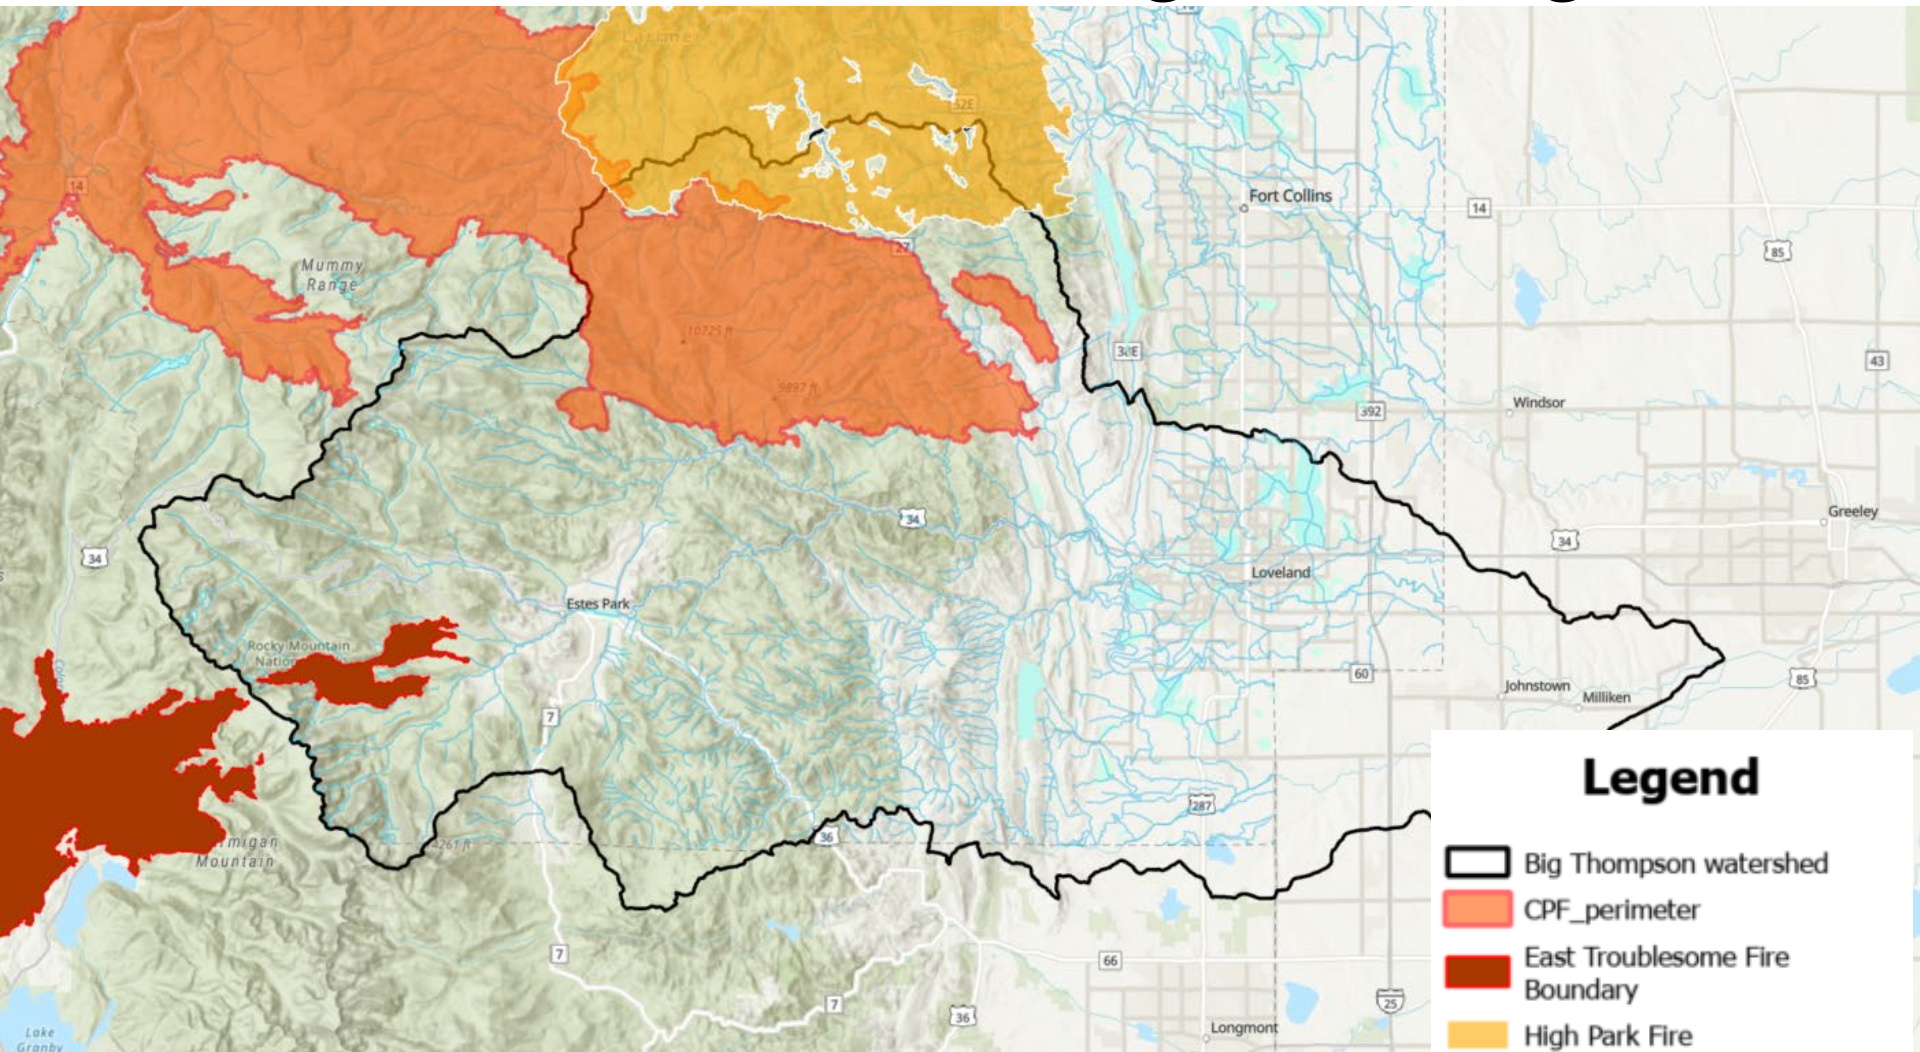

BIG THOMPSON WATERSHED COALITION

Strategic Plan

BTWC

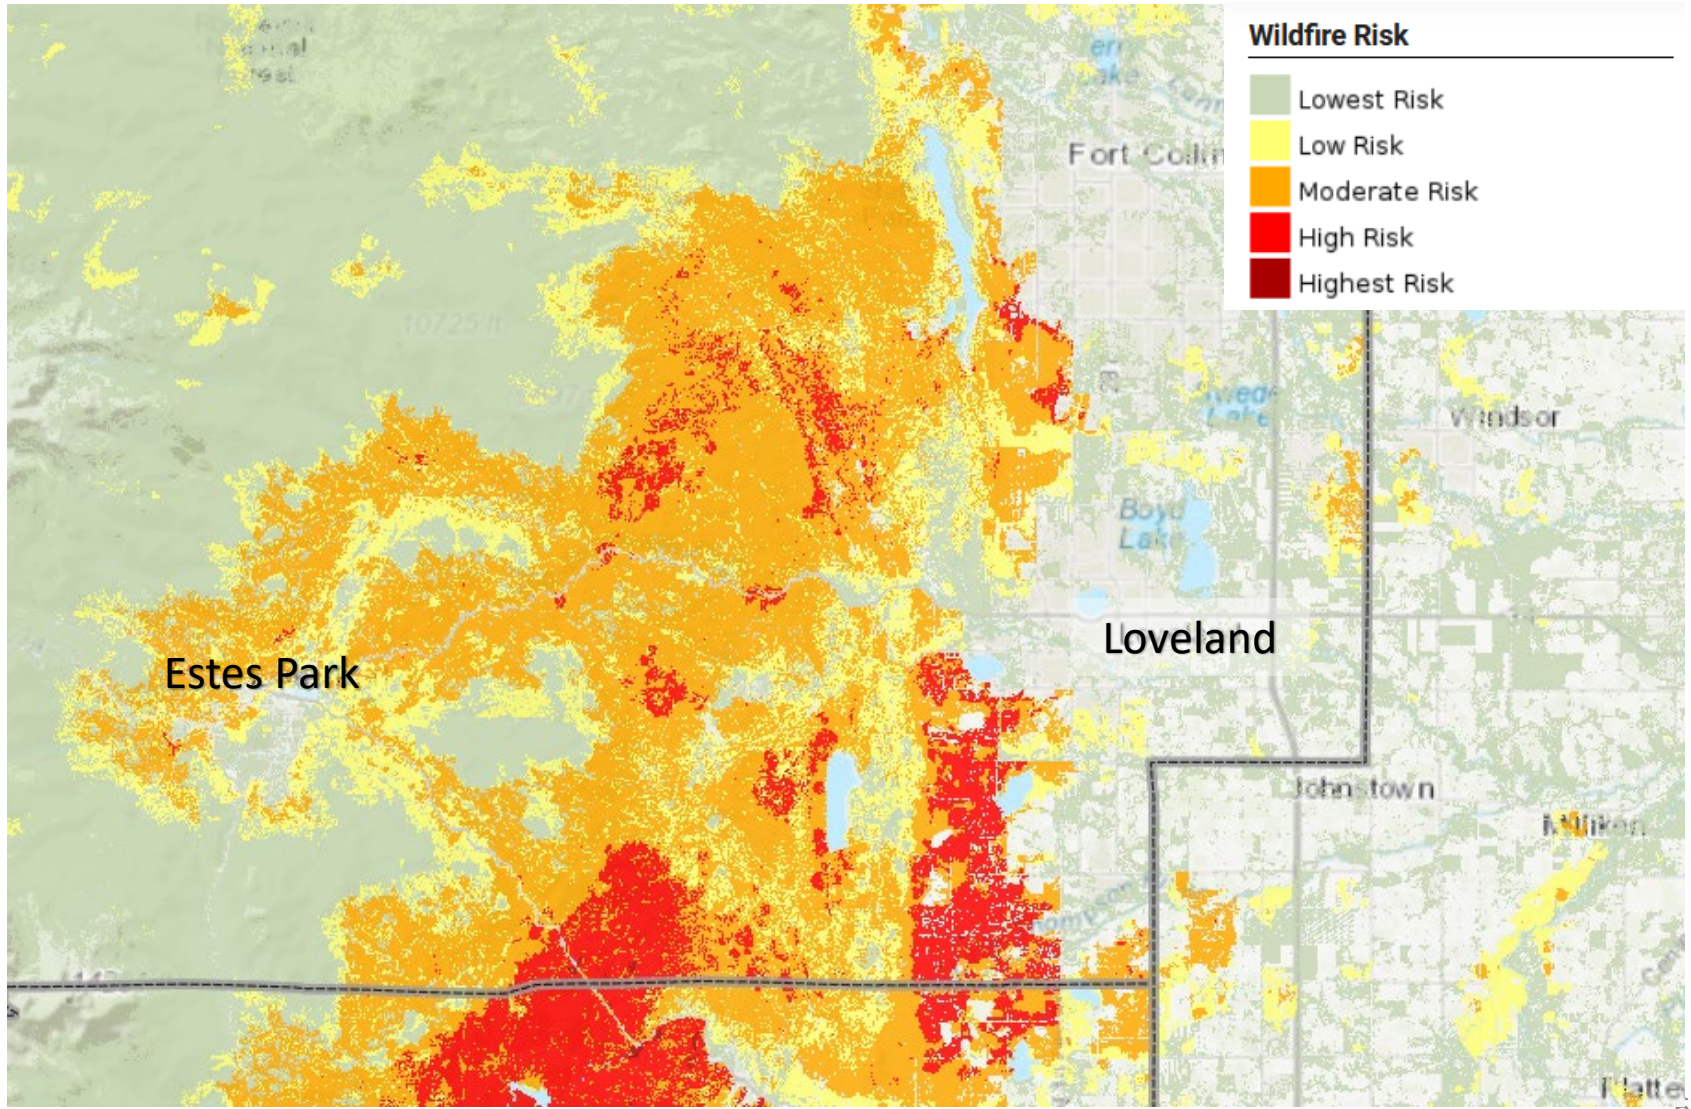

Collaborative Wildfire Mitigation Program

Effects of Wildfire

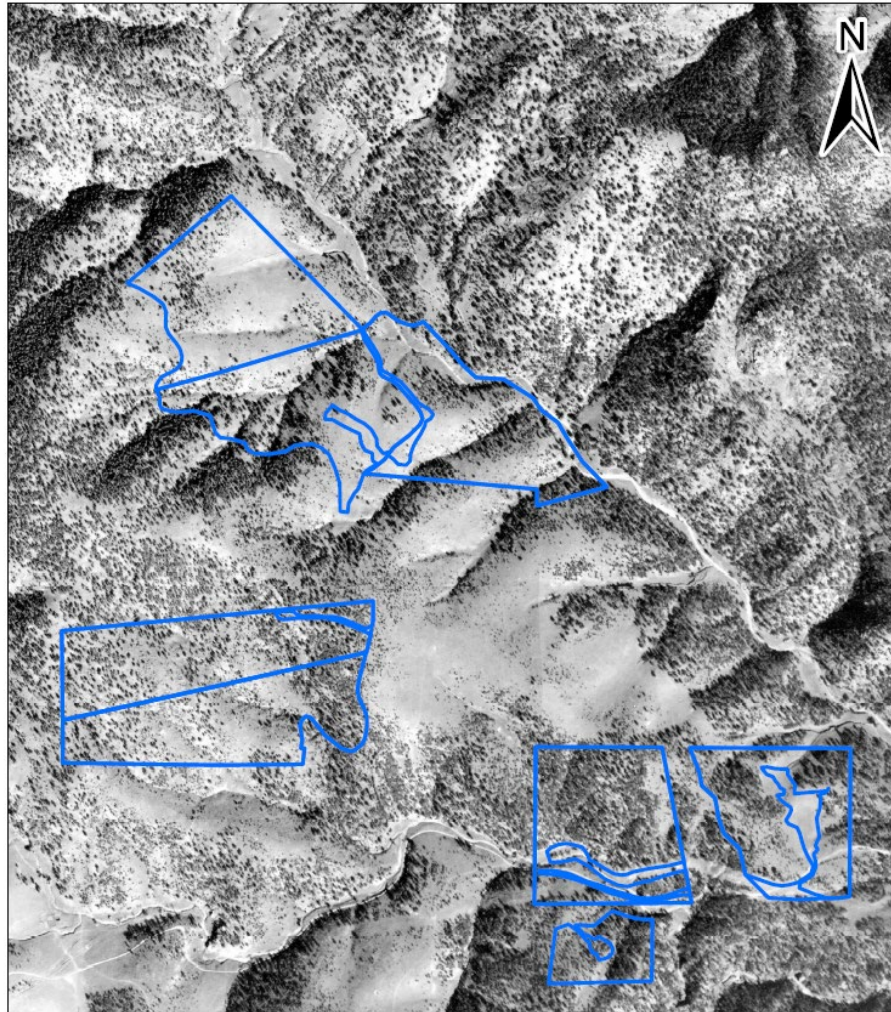

Wildfire Risk

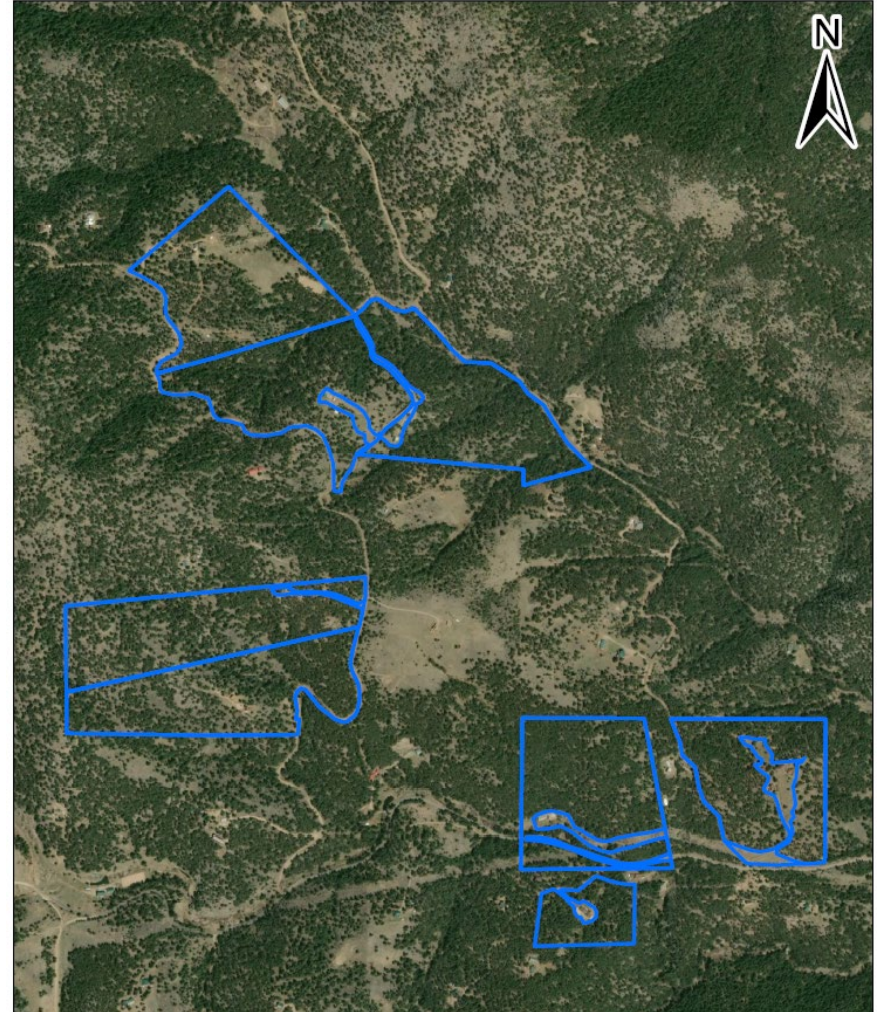

Wildfire Risk

1940 Forest Structure

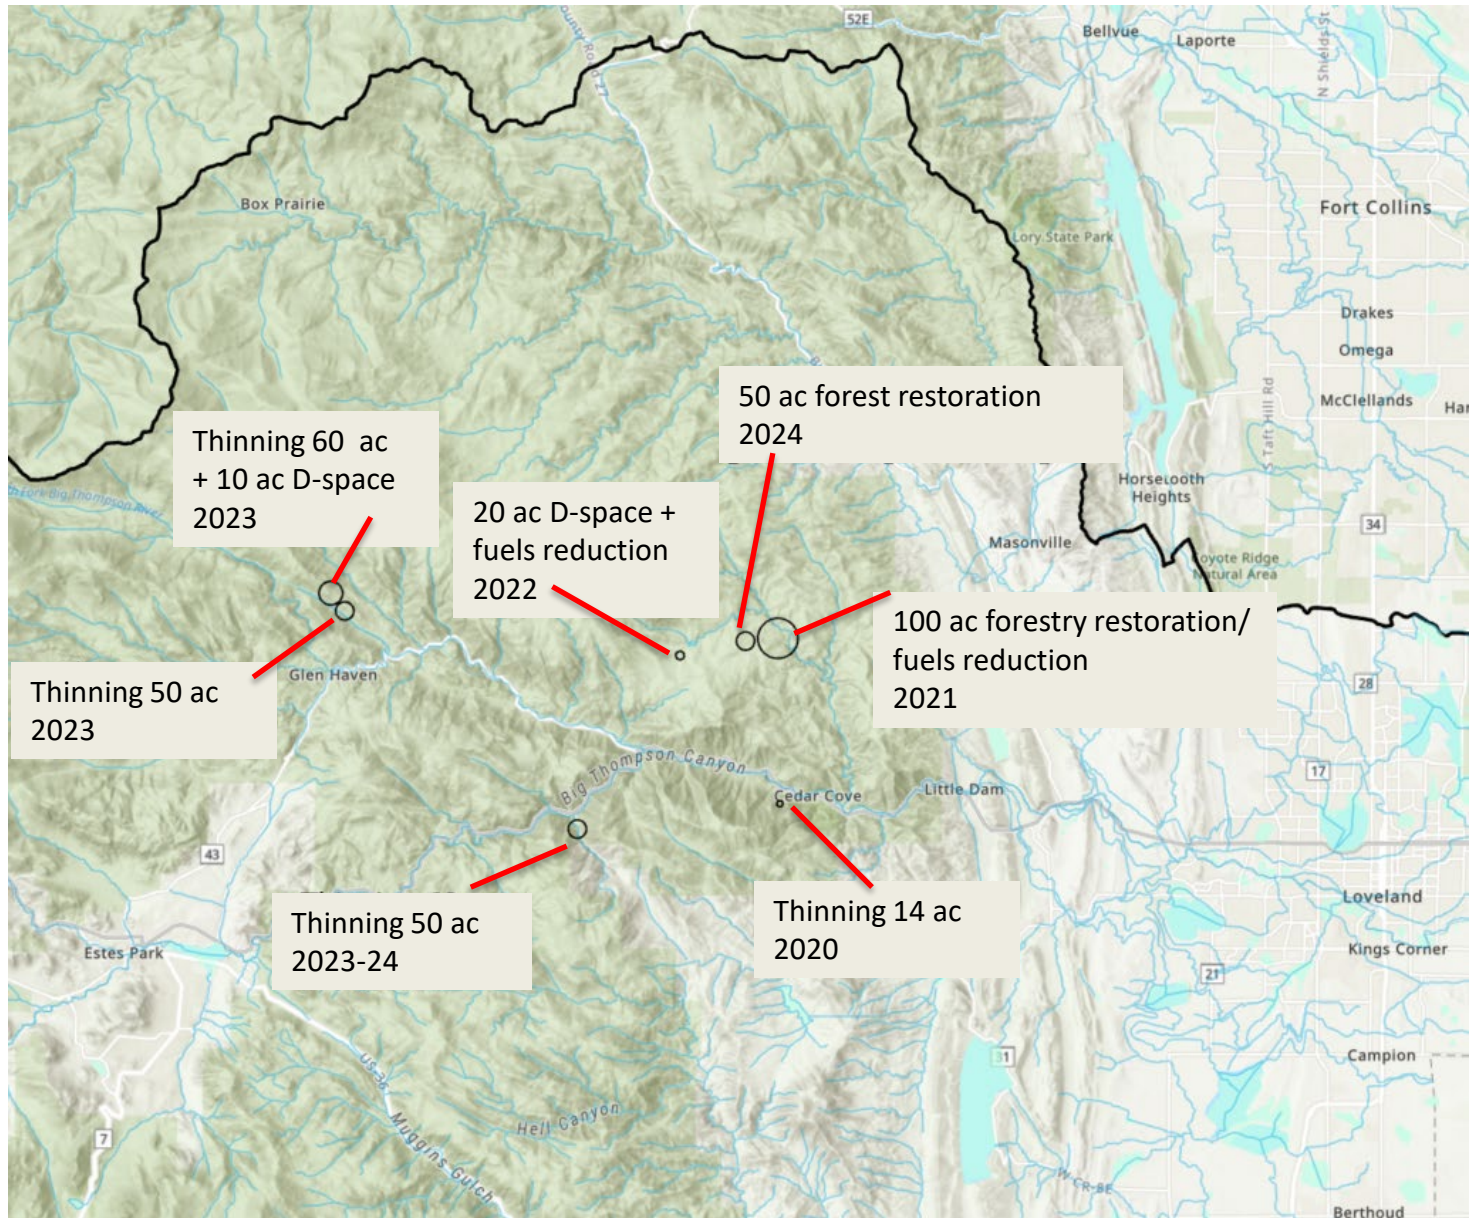

2017 Forest Structure

Strategic Plan

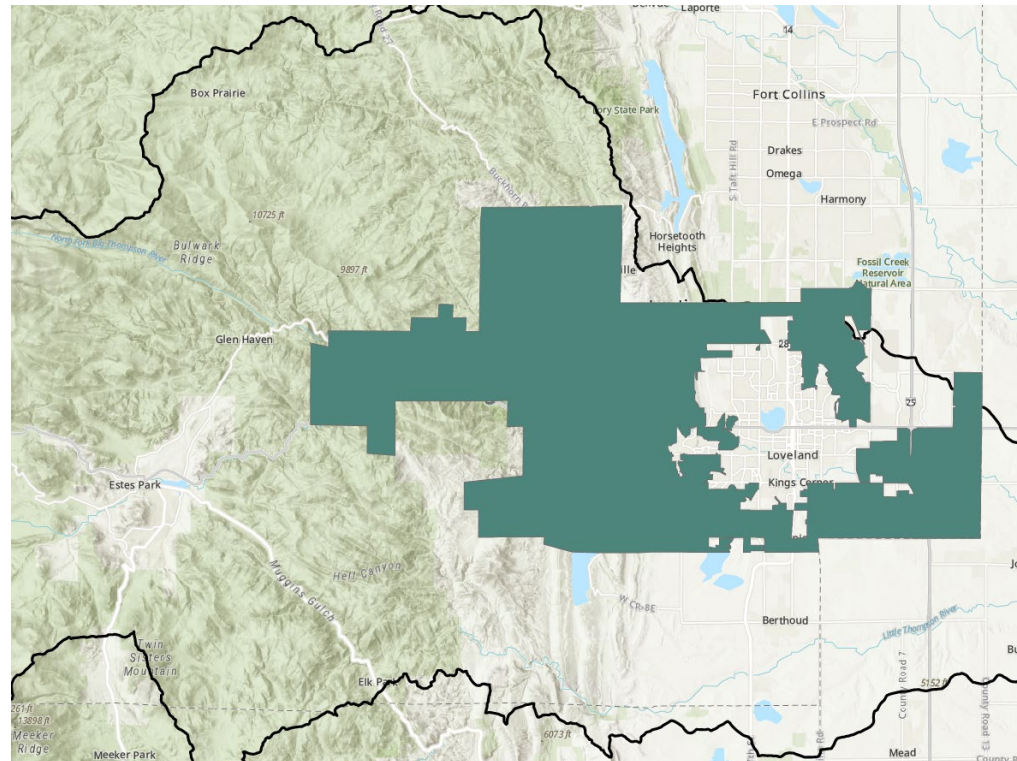

- ***Round Mountain – City Property***
- **Cedar Park**
- **Storm Mountain**
- **Glen Haven**
- **Waltonia**

Upcoming Opportunities

- LFRA & CWPP
- Prioritization of wildfire mitigation in the watershed
- Programmatic Burn Plan
 - Air Curtain Burner
- New Forestry Project Manager position

Addressing Limiting Factors

- Interest of landowners
- Workforce development
- What to do with woody material?
- Terrain (slope, rocky, etc.)
- Funding limitations
