There will be an extra \$40,234.50 in the basin WSRF account due to a basin match share with MRT on the South Platte Basin Geologic Salinity Sources project.

6. Committee Updates (20 min.) [Roundtable Meeting Records – The South Platte Basin](#)

[Link to Announce a Meeting Form - Add a meeting – The South Platte Basin](#)

1. PEPO Committee (Casey Davenhill - 5 min.) (*No Summary*) The Committee has met a couple of times and identified two primary focus topics, the Wildfire Ready Watersheds Program and the Turf Replacement Program. The committee considered a literature search to identify what the municipalities are doing to support and engage these programs. Another survey idea was to reach out to homeowners regarding their impressions of the changes in the urban landscape due to turf changes. MRT was not interested in the second survey option. The direction is now to highlight what existing groups are doing to support the turf replacement effort. Writing and speaking engagements will be directed toward these two topics.
2. Environmental/Recreation Committee (Larry Rogstad – 5 min.) (*Summary*) Kirk Vincent and Lynda James conveyed the presentation information regarding the Wetland Machine Learning Project.
3. M&I Committee (Jim Hall – 5 min.) (*No Meeting*) No report.
4. Colorado River/Demand Management (Sean Chambers & Kyle Whitaker – 5 min.) No report.

7. State Legislative Update (Sean Chambers – 20 min.)

1. [Colorado Water Congress State Affairs Committee 2023 Tracking Sheet](#)
